

Refund Policy – Legends Sports Academy, LLC

We realize that absences from a scheduled lesson, camp or clinic may occur for a variety of reasons, however, it does not entitle you to a refund.

Once you have registered and paid for a camp/clinic/event, etc. and are unable to attend, no refund will occur but, you will be allowed to apply this payment towards a future Legends program during the next twelve months. However, once a camp/clinic/event has begun and the Player withdraws or is a “no show,” no refund will occur nor can you apply the payment towards a future Legends program. Players will be entitled to any items that were distributed during that camp or clinic (camp shirts, etc.). These are available for pick-up during our posted business hours and must be claimed within 30 days of the ending date of the camp or clinic.

Illness or a scheduling problem on the Player’s part during the camp or clinic causing the Player to miss any part of the camp, does not entitle you to a partial refund or make-up lesson.

Lessons – Lesson and lesson packages are non-refundable. Lesson packages may be used anytime within a year of purchase. Players may reschedule a reserved lesson any time up to 4 hours prior to the original lesson. A “no show” on a lesson will be fully charged for that lesson.

If for any reason a medical or family emergency arises and a player enrolled into a program/lesson is unable to attend and request a refund, we will review each individual circumstance and make a decision on a case-by-case basis.
